SUMMARY

EET diploma graduate with hands-on experience in **installation, repair, and maintenance** of **electrical distribution** and **low-voltage** systems, **lighting**, and **security systems**. Strong **drawing interpretation** and **electrical code** compliance; proficient with **test equipment** and tools. Reliable, safety-focused, and effective working with other trades.

TECHNICAL SKILLS

- **Electrical & Hardware:** DC/AC circuits, **power distribution**, wiring, conduit, panels, **lighting** systems, **security** and access control, **electrical motors and controls**, testing & troubleshooting
- **Software & Tools:** AutoCAD Electrical, PLC programming, multimeters, hand and test equipment
- **Standards & Safety:** **Electrical Code**, TIA/EIA standards, WHMIS, Working at Heights, Lockout/Tagout

EDUCATION

Electrical Engineering Technology Diploma Sep 2022 – Present
Centennial College *Scarborough, ON*
– **Drawing Interpretation** & Installation, Electrical Theory, **Electrical and electronic principles**, Power Generation, **PLC** (motors & controls). GPA: 4.1

WORK EXPERIENCE

Electrician Assistant Sep 2024 – Present
Independent / On-call *GTA, ON*
– **Install, repair, and maintain** residential and commercial **electrical distribution** systems; wiring, conduit, **lighting**, panels; compliance with **electrical codes**; continuity and voltage **testing**.

Low Voltage Technician Jul 2025 – Sep 2025
OneNid Inc *GTA, ON*
– Installed and maintained **security systems** (IP cameras, access control, DVR/NVR); cabling and terminations to code; supported team on **lighting** and **equipment** layout.

Electrical Technician Assistant Jul 2021 – Aug 2021
Microgreen Solar Corp *Markham, ON*
– **Repair and maintain** DC-AC inverter **equipment**; **test equipment** use, load testing, quality assurance.

HVAC Assistant May 2024 – Dec 2024
HVAC Contractor *GTA, ON*
– Installation and **maintenance** of HVAC systems; wiring of **electrical motors and controls** (thermostats, compressors, air handling units); assisted other trades.

PROJECTS

Automated Circadian Lighting (Retrofit) Sep 2025 – Dec 2025
Lighting Systems / Electrical
– Designed and integrated **lighting** control and **electrical** systems for LED retrofit; power and performance analysis.

CERTIFICATIONS

WHMIS, Working at Heights, G3 Gas Technician.
