SUMMARY

Electrical Engineering Technology diploma graduate with hands-on **electrical testing**, installation of **switches** and **breakers**, **load testing**, and **quality assurance**. Strong **safety** and **electrical code** adherence; seeking a Technologist role in lab testing and electrical apparatus evaluation.

TECHNICAL SKILLS

- **Electrical & Hardware:** DC/AC and three-phase circuits, **transformers**, wiring, **testing & troubleshooting**, multimeters, hand tools
- **Software & Tools:** Microsoft Excel, Python, C, AutoCAD Electrical, Multisim, PLC
- **Standards & Safety:** Electrical Code, WHMIS, Working at Heights, Lockout/Tagout

EDUCATION

Electrical Engineering Technology Diploma

Centennial College

Sep 2022 – Present

Scarborough, ON

- Coursework: **Electrical Theory**, Power Generation, PLC Programming, Drawing Interpretation & Installation, Signals & Communication; GPA: 4.1

WORK EXPERIENCE

Electrician Assistant

Independent / On-call

Sep 2024 – Present

Greater Toronto Area, ON

- Performed **continuity**, **voltage**, and **insulation resistance testing** using multimeters; installed **switches**, outlets, **breakers**, and panel upgrades in compliance with **electrical codes**.
- Assisted with installation, maintenance, and repair of residential and commercial **electrical systems** and power distribution.

Electrical Technician Assistant

Microgreen Solar Corp

Jul 2021 – Aug 2021

Markham, ON

- Repaired and **tested** DC-AC inverter power packs; performed **load testing** and **quality assurance** verification for renewable energy systems.
- Conducted component-level troubleshooting, soldering, and documentation of test results.

PROJECTS

Automated Circadian Lighting System (Retrofit)

Lighting Control / Energy Efficiency

Sep 2025 – Dec 2025

- Designed retrofit LED system with control strategy; analyzed **power consumption** and lighting performance; integrated with existing electrical infrastructure.

CERTIFICATIONS

- WHMIS Certification (2024)
- Working at Heights Certification (2024)
